

Frequently Asked Questions (FAQs) About Free and Reduced-price School Meals in the National School Lunch Program (NSLP) and School Breakfast Program (SBP)

School Year 2025-26

Dear Parent/Guardian:

Children need healthy meals to learn and eating a nutritious school breakfast has been shown to support students' academic success, wellness, and physical well-being. **New Hartford Schools** offers healthy meals every school day. For school year (SY) 2025-26 breakfast is \$2.00 and lunch costs \$3.50. Your children may qualify for either free meals or reduced-price meals. Reduced meal prices are \$0.30 for breakfast and \$0.40 for lunch. This packet includes an application for free and reduced-price school meal benefits and detailed instructions on how to complete the form. If you prefer to watch a video tutorial on how to complete the form, please watch the Connecticut State Department of Education's 20-minute video, [How to Fill Out the Application for Free and Reduced-price Meals and Summer EBT](#).

Note: Children receiving Supplemental Nutrition Assistance Program (SNAP), Temporary Family Assistance (TFA), HUSKY A (Medicaid), or [Summer EBT \(S-EBT\)](#) benefits *may* be eligible for free meals without having to complete and submit the free or reduced-price school meals application. Some children who receive HUSKY A or S-EBT benefits *may* be eligible for *reduced-price* school meals instead of free school meals based on household income.¹ Questions regarding SNAP/TFA/HUSKY A and direct certification should be sent to the determining official, **Wendy Brown at 860-567-0863 x 1307**.

If you have received a Notice of Direct Certification for free or reduced-price school meals, **do not** complete the application unless instructed to do so by the district. Let the school know if any children in your household are **not** listed on the **Notice of Direct Certification** letter you received, since free or reduced-price school meal benefits are extended to all children in a household when at least one child in the household is confirmed as directly certified for free or reduced-price school meals.

Additionally, all school-aged children in income-eligible households can receive school meal benefits regardless of a child's immigration status and the district/school does not release information for immigration-related purposes in the usual course of operating the Child Nutrition Programs.

The **New Hartford Schools School District** complies with the federal requirements for meal modifications for children with special dietary needs. The requirements for meal modifications

¹ Some children receiving HUSKY A may not qualify for either free or reduced-price school meals based on household income.

The answers to the common questions below can help you with the application process.

1. Who can get free or reduced-price meals?

- All children in households receiving SNAP or TFA benefits are eligible for free meals. Note: *Some* students receiving HUSKY A (Medicaid) or S-EBT benefits are eligible for free or reduced-price meals.
- Foster children that are under the **legal** responsibility of a foster care agency or court are eligible for free meals. (Note: A foster child is categorically eligible for free meals and may be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as household members may help other children in the household qualify for benefits. If non-foster children in a foster family are not eligible for free or reduced-price meal benefits, an eligible foster child will still receive free benefits.)
- Children participating in their school's Head Start program are eligible for free meals.
- Children who meet the definition of homeless or runaway are eligible for free meals.

4. **Can I apply online?** No
5. **My child's application was approved last year. Do I need to fill out a new one?** Yes. Your child's application is only good for that school year and for up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first); this is referred to as the "carryover period." When the carryover period ends, unless you are notified that your children are directly certified or you submit an application that is approved, your children's meals must be claimed at the paid rate. Though encouraged to do so, the LEA is not required to send a reminder or a notice of expired eligibility.
6. **I have not submitted an application within the past three years. Do I need to fill out a new one?** Yes. Your child's application is only good for that school year and for up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first). When the carryover period ends, unless you are notified that your children are directly certified or you submit an application that is approved, your children's meals must be claimed at the paid rate of breakfast at \$2.00 and lunch costs \$3.50. Though encouraged to do so, the LEA is not required to send a reminder or a notice of expired eligibility.
7. **I receive WIC. Can my children get free meals?** Children in households participating in the Special Supplemental Nutrition Program for Women, Infants and Children (WIC) **may** be eligible for free or reduced-price school meals. 9. **If I don't qualify now, may I apply later?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price school meals if the household income drops below the income threshold.
10. **What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing **Becky Tyrrell, PO Box 909, Litchfield, Ct 06759, tyrrell@edadvance.org or 860-567-0863 ext 1148**
11. **May I apply if someone in my household is not a U.S. citizen?** Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced-price school meals.
12. **What if my income is not always the same?** List the amount that you **normally** receive. For example, if you normally make \$1,000 each month, but you missed some work last month and only made \$900, put down that you made \$1,000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
13. **What if some household members have no income to report?** Household members may not receive some types of income we ask you to report on the application or may not receive income at all. When this happens, please write "0" in the field. However, if any income fields are left empty or blank, those will **also** be counted as zeroes. Please be careful when leaving the income fields blank, as we will assume you **meant** to do so.
14. **We are in the military. Do we report our income differently?** Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food or clothing, or receive Family Subsistence Supplemental Allowance payments, these must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.
15. **What if there isn't enough space on the application for my family?** List any additional household members on a separate piece of paper and attach it to your application. Contact **Wendy Brown, PO Box 909, Litchfield, Ct 06759. 860-567-0863 ext 1307 or brownw@edadvance.org** to receive a second application.
